BRUSHES

As part of our commitment to provide a “one-stop shop” service to our distributors and chandlers, we can now supply quality paint brushes for both professional and D.I.Y. use.

The following ranges and sizes are available.

PROFESSIONAL BRUSHES

High quality synthetic bristle brush produced with the professional painter in mind. Will give exceptional application characteristics and allow even lay off to produce a high gloss, smooth, brush stroke free finish.

Sizes available: 1 inch 1½ inch 2 inch 3 inch

Packed in boxes of 10 per size, with the exception of the 3 inch which is packed in boxes of 6.

D.I.Y. BRUSHES

Pure bristle brush of outstanding quality designed for D.I.Y. and general purpose use. Again, designed for ease of application to produce high quality glossy finishes with minimal retention of brush marks.

Sizes available: 1 inch 1½ inch 2 inch 2½ inch 3 inch

Packed in boxes of 12 per size

ROLLERS

Also available are starter packs of 4” roller kits as well as packs of replacement roller heads, both mohair and foam.

Starter Pack comprising:

- 1 x 4” frame
- 1 x plastic tray
- 2 x 4” foam refills

Supplied in 24 packs per box

Foam Roller Refills

10 per box

Mohair Roller Refills

10 per box
